

1-26 IN BN VISION & IMPERATIVES

UNCLASSIFIED

BN VISION:

We are a highly trained and disciplined Air Assault Infantry Battalion, experts at combined arms warfighting, prepared to win in any environment against any enemy. We are agile, adaptable and tough; we thrive where others falter under the most challenging conditions. We honor our unit's distinguished history through our commitment to the mission, to each other and to excellence.

Achieved Through the Three Imperatives.....

- 1) Build Strong Teams** - Success in combat requires strong cohesive teams that can overcome uncertainty and adversity and win. Strong teams result from a commitment to the unit (**pride**) and a commitment to one another (**camaraderie**).
- 2) Develop Leaders that can think critically and make good decisions** - Success in complex challenging environments requires agile and adaptable leaders who are empowered to take initiative (**empowerment**). These types of leaders are the product of deliberate preparation and training (**development**).
- 3) Achieve mastery in our fundamental warfighting skills** - Our unique purpose is to provide lethal squads and platoons capable of conducting forcible entry operations by Air Assault. We will accomplish this through our (**discipline**) and a relentless pursuit of (**excellence**).
